

SPEAKING PROFILE

With a natural ability to connect immediately with diverse audiences, Ricky's high energy presentations are on topic and on target.

Bringing people and business together, Ricky's insightful and memorable presentations leave

audiences motivated and stimulated to create high performance organisations and outcomes throughout Australasia.

From the Board Room and Meeting Room to Conventions and Conferences, Ricky focuses on bringing a fresh approach to inspired leadership every time - so her audiences can apply new ideas to their own businesses and lives and reap the rewards.

Her clients know her as ***The Communication Catalyst*** for her ability to 'get results'. Her solid track record with clients include the CEO Institute, Transurban, Transfield Services, Leadtec Systems, Walter and Eliza Hall Institute and Elmwood Design.

She is an executive coach for the Australian Institute of Company Directors, Member of International Coaching Federation, Member of Creative Skills Training Council, and she holds designation of excellence of a Certified Speaking Professional – an accreditation held by less than 10 percent of all professional speakers globally.
